Dear Mayor Giammo:

On behalf of the Olney Town Center Advisory Committee (OTCAC), I want to thank you for taking the time to meet with us this past Monday evening at the Rockville Library to brief our group on the new Rockville Town Center. Additionally, please extend our sincere appreciation to the members of the City of Rockville staff and library personnel that were instrumental in ensuring the evening was a success.

The new Rockville Town Square is a beautiful, vibrant and people friendly place. Under your leadership, the City has succeeded in creating a shining example of what can be accomplished when the public and private sector work together towards a common goal. While it took years of hard work and countless meetings, all involved are to be commended for a job well done.

The OTCAC looks forward to putting the lessons and input we received from your presentation and tour to good use as we move forward with our work in Olney.

Again, thank you and the best of luck with future endeavors.

Sincerely,

*James A. Smith*
